

Tips for Growing & Preserving Dooryard Fruit

When:

**Tuesday
April 25th
2:00 –3:15 pm
EST**

Where:

**Corinne Costin
Gibson Memorial
Library
110 Library Drive
Port St. Joe
850-229-8879**

Free Event

Want to learn more about how to care for your fruit trees? Want to learn about making preserves?

Please join us for a lecture on fruit trees. Find out what varieties will grow best in the Panhandle, learn the soil/water/light requirements, the TLC needed for your fruit trees to thrive and how to preserve and enjoy the fruit harvest. Event is presented by Gulf County Extension Agents, Ray Bodrey and Melanie Taylor.
