

National Library Week April 19 - 25, 2026

Find your joy at the library—a place where curiosity is sparked, stories come alive, and everyone is welcome! Celebrate National Library Week this April by attending a free program, using a computer, or checking out up to 20 items including books, DVDs, audiobooks, musical instruments, sewing machines, and even telescopes! Your local library is a great place to learn a new skill. Library cards are free to residents of Bay, Gulf, and Liberty County with photo ID and proof of residency.

During the month of April, some libraries are hosting fun promotional events like “Find a Flamingo” and raffle drawings for library patrons that check out items! Ask your local library staff for more information.
