

The Northwest Regional Library System aspires to help students prevent the “summer slide” by providing a variety of engaging, educational programs that encourage discovery throughout the summer. This year’s theme is “Unearth a Story.”

All summer there are exciting, interactive programs for all ages! Learn about animals, dinosaurs, archaeology, and local history in an effort to “unearth a story.” Attend our book clubs or craft programs and discover a new hobby.

Several libraries will also have reading challenges and prize giveaways! Visit your local library to learn more!

**All Northwest Regional Library System locations will be closed on:
July 4th (Saturday, July 4)**

**Libraries will close by 5 p.m. on July 3.*

Parker Public Library Children’s Programming
